

## VERTEX LED SHELF LIGHT

The Vertex LED shelf light is a slim fitting shelf light designed to sit on the back of shelf boards. With a slim design this means many shelves will not need to be trimmed short for installation, and the design of the profile allows it to fit on shelves of any length.

With a cable that exits backwards, this can span perfectly all the way across the shelf with no exposed wires.

This is a fully integrated solution, with pre-installed strips - our thinnest ever strip, the edgelit Razor X. This also features cut anywhere technology, so this can be cut to any length with no dark spots.

### BENEFITS

- Higher brightness, efficiency and eco-friendly
- The COB has a high luminous efficacy, meaning it produces more light with less power
- No waste (Cutttable at any length)
- Longer lifespan and reliability
- More flexibility and versatility
- Registered design right: 6443843

### KEY FEATURES

- Dimmable
- Higher light density
- High lumens per watt
- High colour rendering index: >90
- Available in 3 standard shelf widths - 462, 562 and 962mm

### TECHNICAL SPECIFICATION

Wattage	6W/m
Voltage	24V
Lumens (Light output)	508 lm/m
Lumens per Watt	100
Colour Temperature	Natural white: 4000K
Beam angle	180°
Colour rendering index	>90
Connector	2.5m at one end
No. LEDs per meter	512
Operating temperature	-30°C to +45°C

PRODUCT NAME	ORDER CODE	BARCODE
Vertex LED Shelf Light - Natural White - 462mm	SE00164	5060988658155
Vertex LED Shelf Light - Natural White - 562mm	SE00165	5060988658148
Vertex LED Shelf Light - Natural White - 962mm	SE00166	5060988658131

MECHANICAL SPECIFICATION

PRODUCT NAME	DIMENSIONS (mm)	IP RATING
Vertex LED Shelf Light - 462mm	L 462mm x W 6.4mm x D 21mm	IP20
Vertex LED Shelf Light - 562mm	L 562mm x W 6.4mm x D 21mm	IP20
Vertex LED Shelf Light - 962mm	L 962mm x W 6.4mm x D 21mm	IP20
