

AFFINITY - NEWTON TRIOTONE®

Sleek, smart, and effortlessly versatile—the Newton TrioTone® is designed to seamlessly integrate with the Affinity track system, delivering precision lighting exactly where you need it.

Thanks to its magnetic base, this LED panel snaps instantly into place along the track—no tools, wiring, or fixtures required. Whether you're upgrading an existing space or planning a new design, installation is as simple as click and glow.

On the underside of the panel, an intuitive TrioTone® switch lets users toggle between warm white, natural white, and cool white lighting modes. This flexibility makes it easy to tailor the light to any style of kitchen – all from a single fixture.

BENEFITS

- Fast Installation: Cut install time in half with no drilling or cabling.
- Future-Proof Design: Add or reposition lights and accessories anytime.
- High efficiency
- Sleek Aesthetics: Seamless integration under cabinets for a clean, modern look.

KEY FEATURES

- Magnetic Mounting: Installs effortlessly to the Affinity track—reposition or remove with ease
- TrioTone® technology allows you to select cool white, natural white or warm white with a flick of the switch, concealed underneath the fitting
- Ultra-Slim Design: Brushed metal finish and low profile for a premium, modern aesthetic
- Energy Efficient: Low power consumption with high light output

TECHNICAL SPECIFICATION

Wattage	3.6W
Voltage	24V
Lumens (Light output)	227
Lumens per watt	63
Energy Grade	G
Colour Temperature	3000K
	4000K
	5000K
Beam Angle	120°
Colour Rendering Index	>90
Operating Temperature	-30°C to +45°C
