

LUNA MIRROR

The Luna Mirror is a stylish addition to any bathroom, designed to enhance your space with its smooth, curved form. Featuring TrioTone lighting technology, the mirror allows you to switch between warm, natural, and cool light settings—perfect for everything from applying makeup to creating a relaxing atmosphere.

A discreet, easy-to-use touch sensor positioned on the mirror surface makes adjusting the lighting simple and intuitive.

Installation is quick and straightforward thanks to the secure Z-bracket fixing system on the back. Simply mount the corresponding bracket to the wall and hang the mirror in your desired position.

BENEFITS
• Easy to use and install
• Backlit illumination
• LED technology for long life

KEY FEATURES
• Touch Sensor
• Demister Pad
• Diffused LEDs
• CCT Color changing LED's
• Intensity Dimming
