

ORNA DUAL-LIT MIRROR

The Orna mirror brings a refined, adaptable lighting solution to the modern bathroom. The touch button gives full control over the mirror’s lighting, with dimming functionality to set the perfect brightness and three lighting modes – front, back, or both – to suit the moment. Triotone lighting allows you to switch between cool, natural, or warm white tones, adapting effortlessly to your routine. A built-in defogger keeps the mirror clear and streak-free, even in steam-filled environments. Designed for straightforward installation via a secure French cleat fixing, the Orna is available in rectangular or arched profiles, and in brass or black finishes, offering a versatile statement piece for any bathroom.
